Friday 21st November 2025

Dear Parents and Carers,

What a wonderful week we've had in school!

Our EYFS pupils enjoyed Diwali dancing, exploring movement, colour and celebration as part of their learning about festivals and traditions. On Thursday, the excitement grew as we were treated to a surprise snowfall, which brought plenty of smiles across the playground. We ended the week on a high with our Rugby Day on Friday, where pupils across the school took part in energetic sessions, building teamwork, resilience and sporting skills.

Looking ahead to next week, we are pleased to share that the Library Van will be visiting school on Thursday. This is always a brilliant opportunity for pupils to explore new books and develop their love of reading. KS1 pupils will also be taking part in the Christmas Journey trip to Wesley Church, where they will enjoy a thoughtful and engaging experience linked to the Christmas story. Finally, we are looking forward to completing the week with our November Family Read Session, which will take place next Friday morning. We are really looking forward to welcoming you into school to share and celebrate the joy of reading together.

With best wishes,

Mr Aaron Rush

At Westwoodside Church of England Primary Academy, we are committed to ensuring outstanding attendance and punctuality for all our pupils. Regular attendance is crucial for maximizing learning opportunities, and we rely on parents and carers to help encourage a positive attitude towards attending school. Research shows that pupils who attend school consistently not only achieve better academic results but also build stronger friendships with their peers.

Our school's minimum attendance target is 96.5%, and we expect all pupils to meet or exceed this. Every day matters, and maintaining good attendance will have a significant impact on your child's overall progress and development. Let's work together to support your child's success in both learning and social growth.

**Together, we can ensure that all our pupils
have the best possible opportunities for success!**

The Perfect Introduction to Swimming

Puddle Ducks

Teaching independent swimming from birth!
Our classes encourage a respect for water and a lifetime longing to jump in and have fun.

Why is teaching your child to swim important?
The physical & mental advantages gained from swimming are well documented. Here are some key facts about how it benefits your child:

- It provides a complete physical workout, strengthening your child's heart, lungs and respiratory system.
- Learning to respond to key words can make your child sharper mentally, increase levels of awareness and understanding and improve communication between you.
- Swimming facilitates development of crucial higher brain functions, core muscles and co-ordination.
- You and your baby feel relaxed and confident in the water.

SWIM ACADEMY

FREE taster session!

So, you want your child to learn to swim.
Let's help them learn the right technique, in the right environment, with the best people.
Let's give them the courage to be fearless, make friends, swim strongly and have fun.
Then let's see where those skills might take them.

Let's do this.
You've decided to take your child to swimming lessons, but why should you choose Swim Academy?

LET'S BE AWESOME.
We train, we teach, we continue to learn, at the highest level, so that your children are taught in the best possible way, from their first class to their graduation.

LET'S GET THERE.
We set clear targets and meet them. Track the progress of your superstar swimmer through your online account and follow their progress every step of the way.

LET'S OWN IT.
We don't knock children down; we build them up. Our strokes are deconstructed so that nothing is ever 'wrong' because they're always started out right.

LET'S GO FURTHER.
We are continually evolving and improving our programmes in line with new research and guidance on swimming and child development, but also in line with what we learn internally about our swimmers and the way they progress through our programmes.

We're a proud member of the Swimming Teachers' Association

LET'S HAVE FUN.
Children learn through experience, not through repetition. We keep our classes fun, lively, varied and exciting to help your child stay engaged and challenged in the water.
